Modular Linear Recessed Light

Interchangeable light source

Power adjustable 25-40W

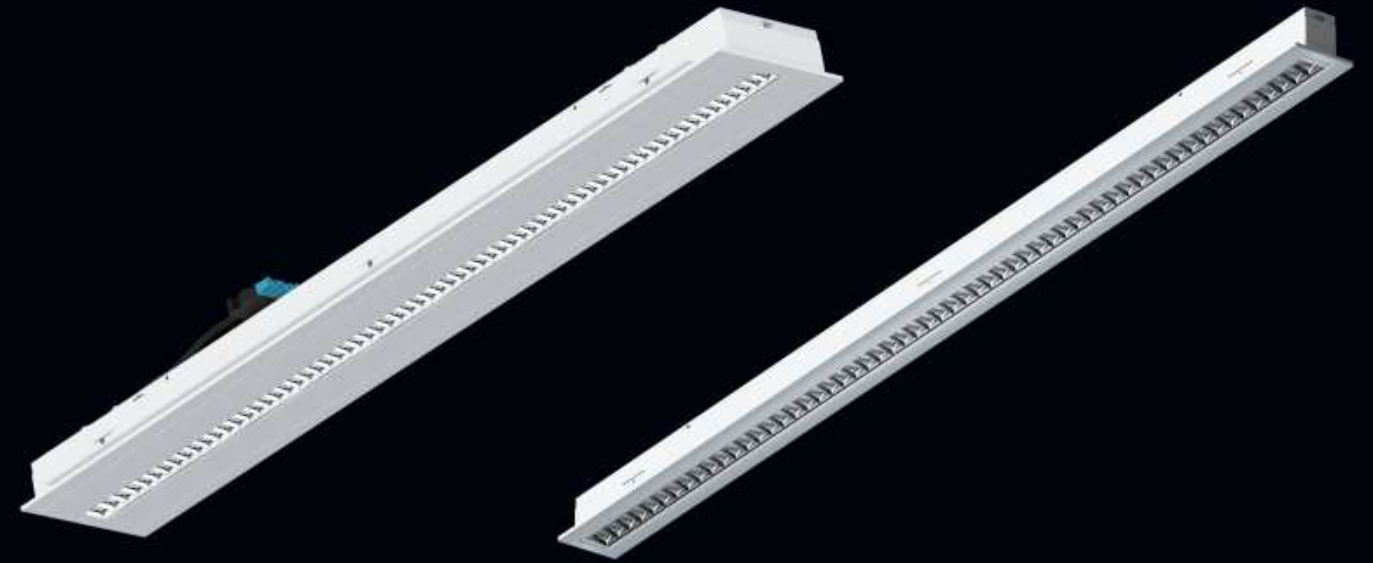

UGR 16

Compared with common linear recessed light, ARES ALYCE provides architects designers with consistent linear design with replaceable modular light source. Besides 1.2m and 1.5m in length, ARES ALYCE is also available as a continuous light line with through wire integrated. ARES ALYCE provide two different width to meet different cut out on the ceiling. ARES ALYCE will also be a option for modular ceiling.
