# KEY ALYCE

Wide Modular  
Pendant Light

KEY ALYCE catches the eye with its slender form, combining very high light levels with good glare control (UGR<19). It looks even more sophisticated. Lighting quality in conformity with workstation requirements is ensured thanks to a direct light downward with good glare control. The ceiling, and by reflection also the entire room, is uniformly brightened up by the indirect light upward. KEY ALYCE can also be installed as a suspended individual luminaire or as a continuous row system with through wiring.

## Size

KEY ALYCE catches the eye with its slender form, combining very high light levels with good glare control (UGR<19). It looks even more sophisticated. Lighting quality in conformity with workstation requirements is ensured thanks to a direct light downward with good glare control. The ceiling, and by reflection also the entire room, is uniformly brightened up by the indirect light upward. KEY ALYCE can also be installed as a suspended individual luminaire or as a continuous row system with through wiring.
